Michael Bell-Imagine Nurse

### JCR Imagine Program

The individuals at the JCR Imagine Program were busy this summer! They continued to work hard on their paid work jobs with Steris, Supply Technologies, and shredding documents. They also volunteered at Headlands Beach once a week and attended various community integration outings .

### Welcome Marissa!

We are so thrilled that Marissa joined the Imagine team in May as our new Speech and Language Pathologist. She has been a wonderful asset to the team and has jumped in seamlessly!

*welcome*

### Imagine Garden

We really expanded our Imagine garden this year! We grew a variety of different types of lettuce, carrots, snap peas, cucumbers, cherry tomatoes, watermelons, pumpkins, wild flowers, and sunflowers.

Deepwood Industries/JCR Imagine Program is located at 8850 Tyler Blvd. Mentor, Ohio 44060. To learn more, visit <http://www.deepwoodindustries.com>

## Community Integration Outings

The Imagine individuals enjoyed many different community integration outings this past summer. Some of the places that they enjoyed were North Chagrin Nature Center, mini golf, Fairport Harbor Beach, and Chagrin River Park.

## Beach Clean Up

Every April-August the individuals at Imagine volunteer once a week cleaning up trash at Mentor Headlands Beach. It is amazing to see them volunteering their time and helping to keep our beaches clean and beautiful for everyone to enjoy!

In June, Caleb and Mia volunteered at the Mentor High School Food Distribution. They were busy filling boxes with food that was then distributed to those in need.

**CES Job Shadowing—we have been collaborating with the CES dept and attended some of their job sites with groups of 2 individuals and Imagine staff. The individuals get to try out the jobs first hand and explore what kind of work they enjoy doing!**
